

NUGGET '75

A black and white photograph of a mountain stream cascading over rocks in a forest. The water flows from the top left, down a series of dark, jagged rock formations, creating multiple small waterfalls and rapids. The surrounding forest is dense with trees, their trunks visible in the background. The lighting is soft, highlighting the texture of the rocks and the movement of the water.

*Sit beside a mountain stream —
see her waters rise,
listen to the pretty sound
of music as she flies.*

Dr. Frederick Aho-Principal

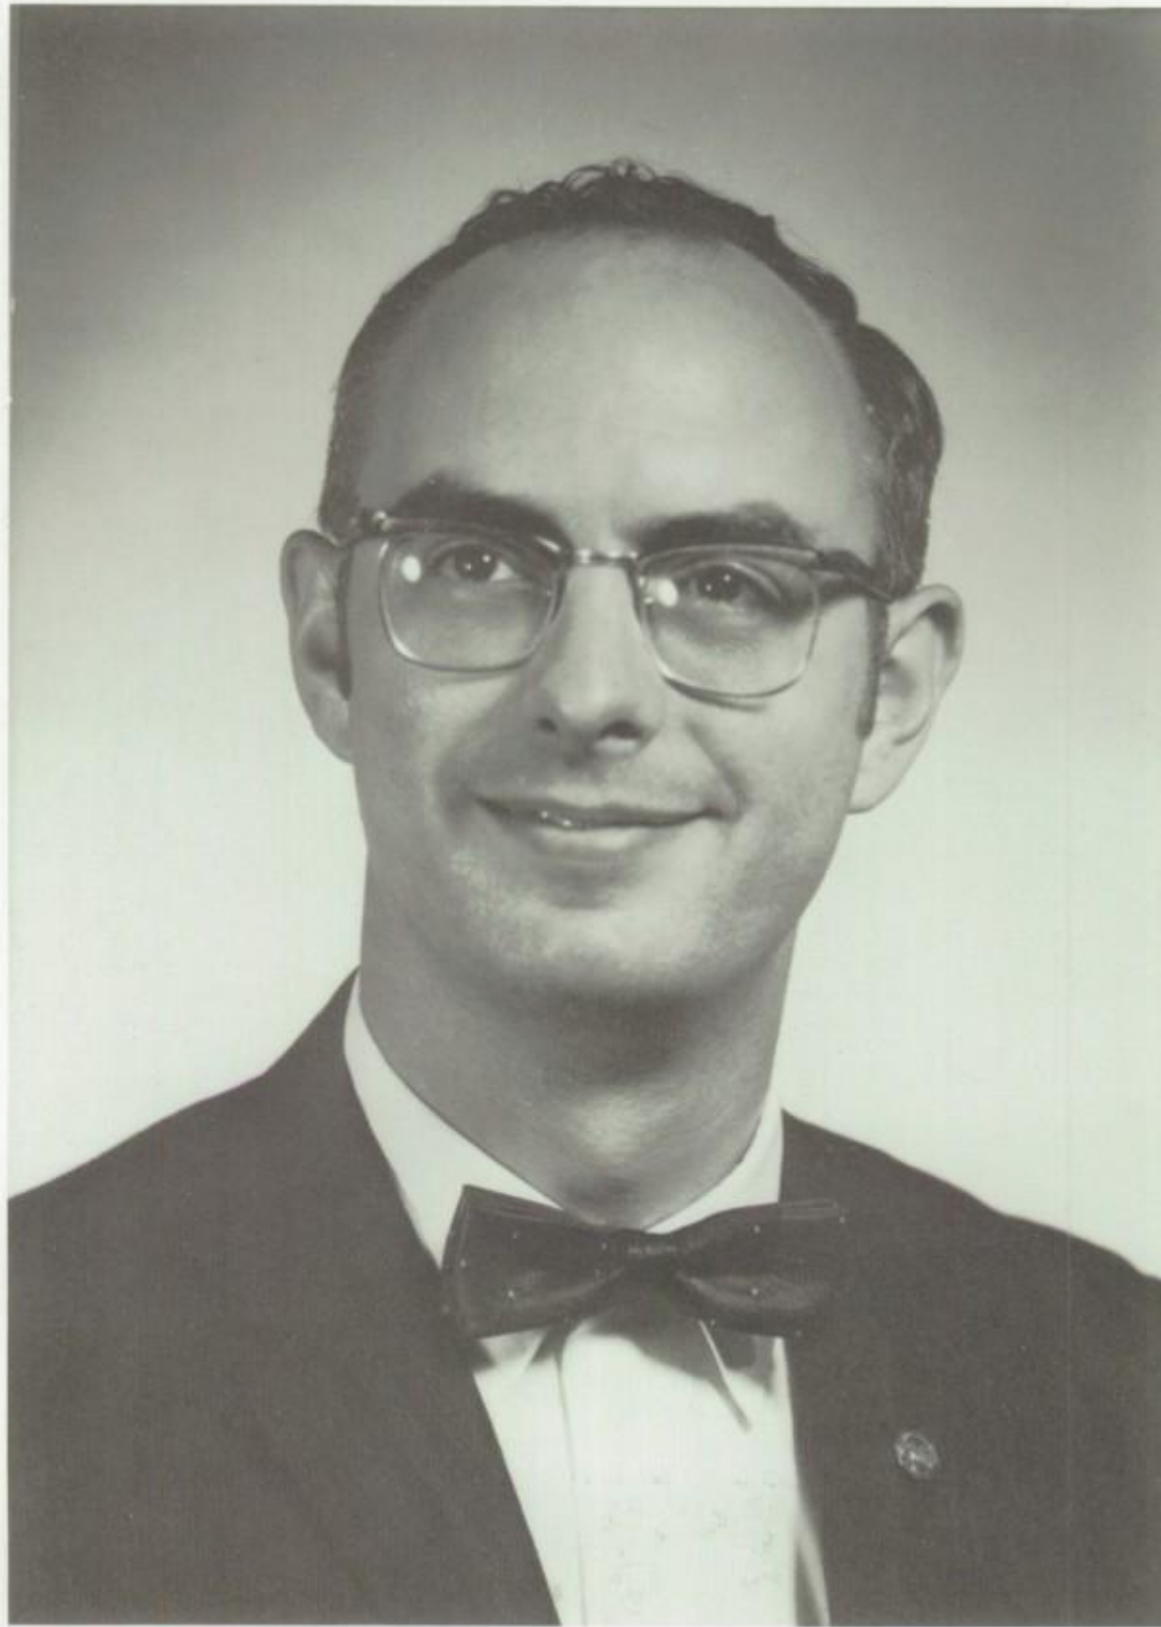

Most ancient of the arts. I am more than ancient; I am eternal. Even before life commenced upon this earth, I was here — in the winds and the waves. When the first trees and flowers and grasses appeared, I was among them. And when Man came, I at once became the most delicate, most subtle, and most powerful medium for the expression of Man's emotions. When men were little better than beasts, I influenced them for their good. In all ages I have inspired men with hope, kindled their love, given a voice to their joys, cheered them on to valorous deeds, and soothed them in times of despair. I have played a great part in the drama of Life, whose end purpose is the complete perfection of man's nature. Through my influence human nature has been uplifted, sweetened and refined. With the aid of men, I have become a Fine Art. I have a myriad of voices and instruments. I am in the hearts of all men and on their tongues, in all lands among all peoples; the ignorant and unlettered know me, not less than the rich and the learned. For I speak to all men, in a language that all understand. Even the deaf hear me, if they but listen to the voices of their own souls. I am the food of love. I have taught men gentleness and peace; and I have led them onward to heroic deeds. I comfort the lonely, and I harmonize the discord of crowds. I am a necessary luxury to all men. I am Music.

Dedication

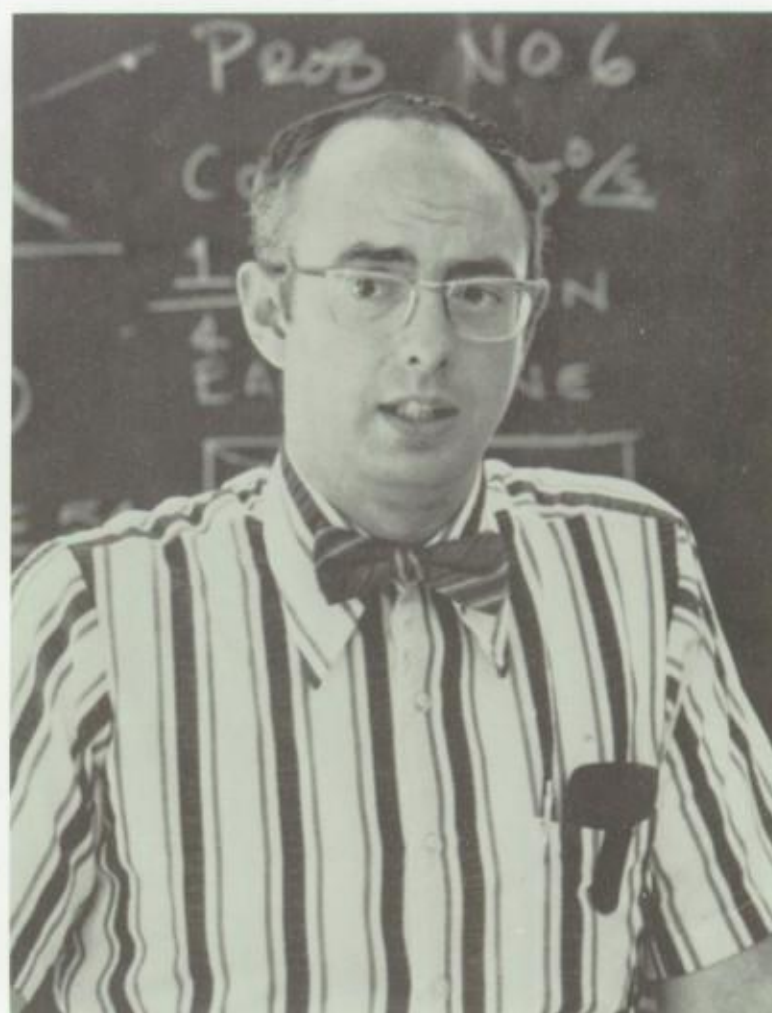

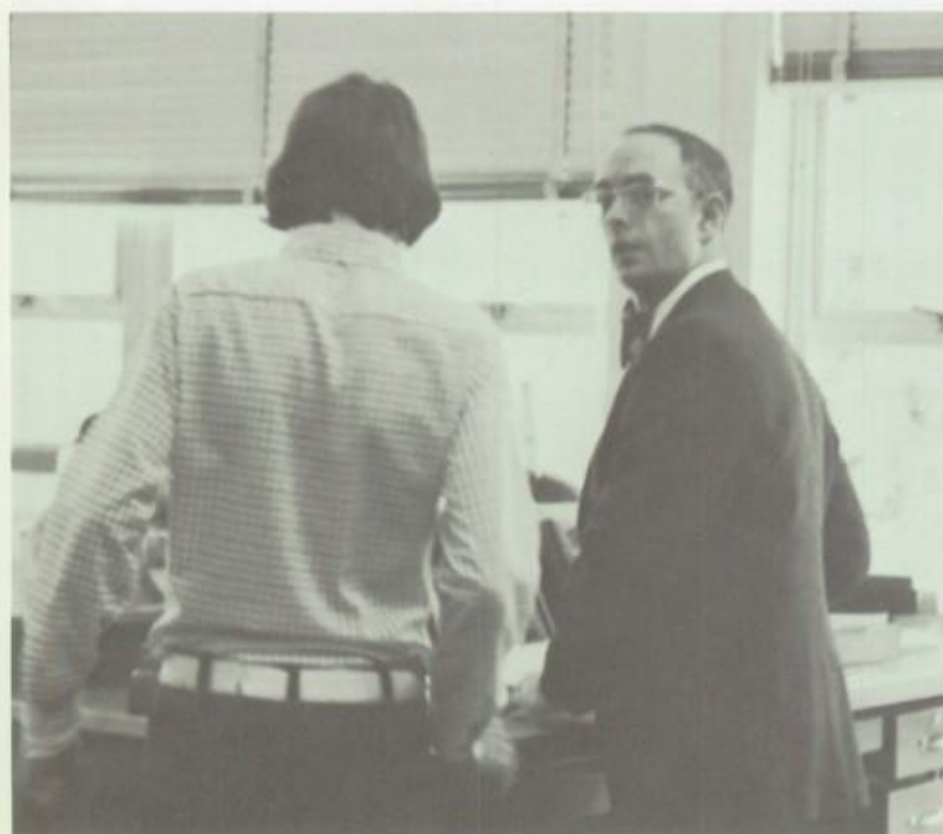

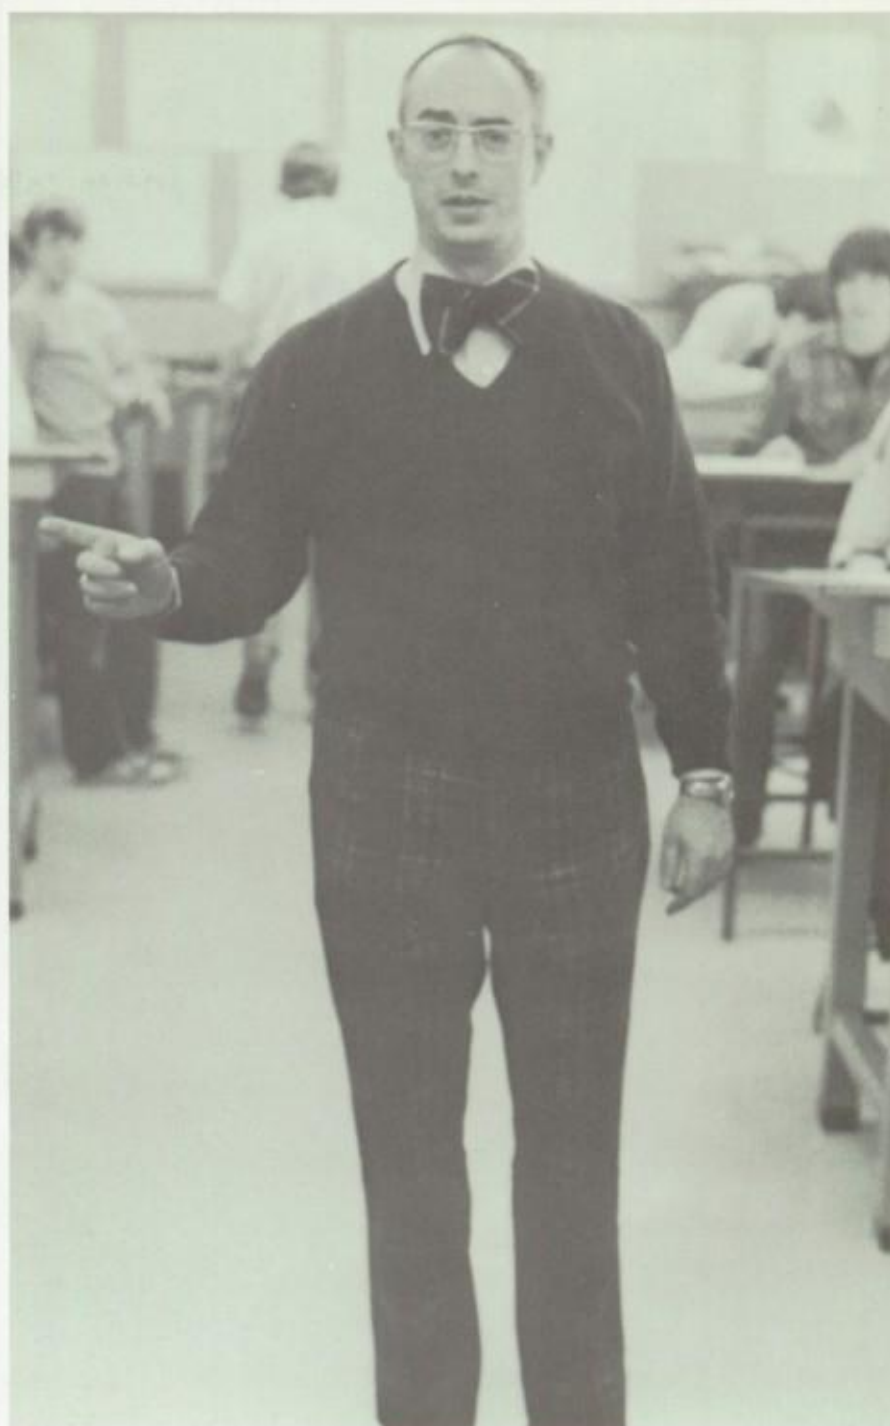

Mr. William Davies

Because of his kindness, helpfulness, and all around concern for students, we, the class of 1975, dedicate the 1975 Nugget to Mr. William Davies.

After graduating from Penn State University in January 1957 with a Bachelor of Science Degree, Mr. Davies completed his Masters Degree at Montclair State in June 1963. He started teaching at the School Street School in 1957 and came to the high school eight years later. Mr. Davies has been teaching Technical Drawing classes for eighteen years in the Ramsey School system and has helped with special education students in wood shop. In addition to teaching, he supervises the chess club and the varsity chess team, makes scenery for dramatic productions, and participates in the Ramsey Teachers' Association.

Through the years, many students have come to know Mr. Davies for his sense of humor, his friendly hello and wink, his extensive vocabulary, and his flashing Christmas bow tie.

It is because of his concern for the students of Ramsey High School that the class of '75 dedicate this book to him.

*A time it was and
what a time it was, it was.
A time of innocence,
a time of confidences.
Long ago it must be
I have a photograph,
preserve your memories,
they're all that's left you.*

SIMON AND GARFUNKEL

*Music makes pictures
and often tells stories.
All of it magic, and all of it true.*

JOHN DENVER

*My life has been a tapestry
of rich and royal hue,
an everlasting vision
of the everchanging view,
a wondrous woven magic
in bits of blue and gold,
a tapestry to feel and see
impossible to hold.*

CAROLE KING

*They say as a child
I appeared a little bit wild
with all my crazy ideas,
but I knew what was happening
I knew I was a genius.*

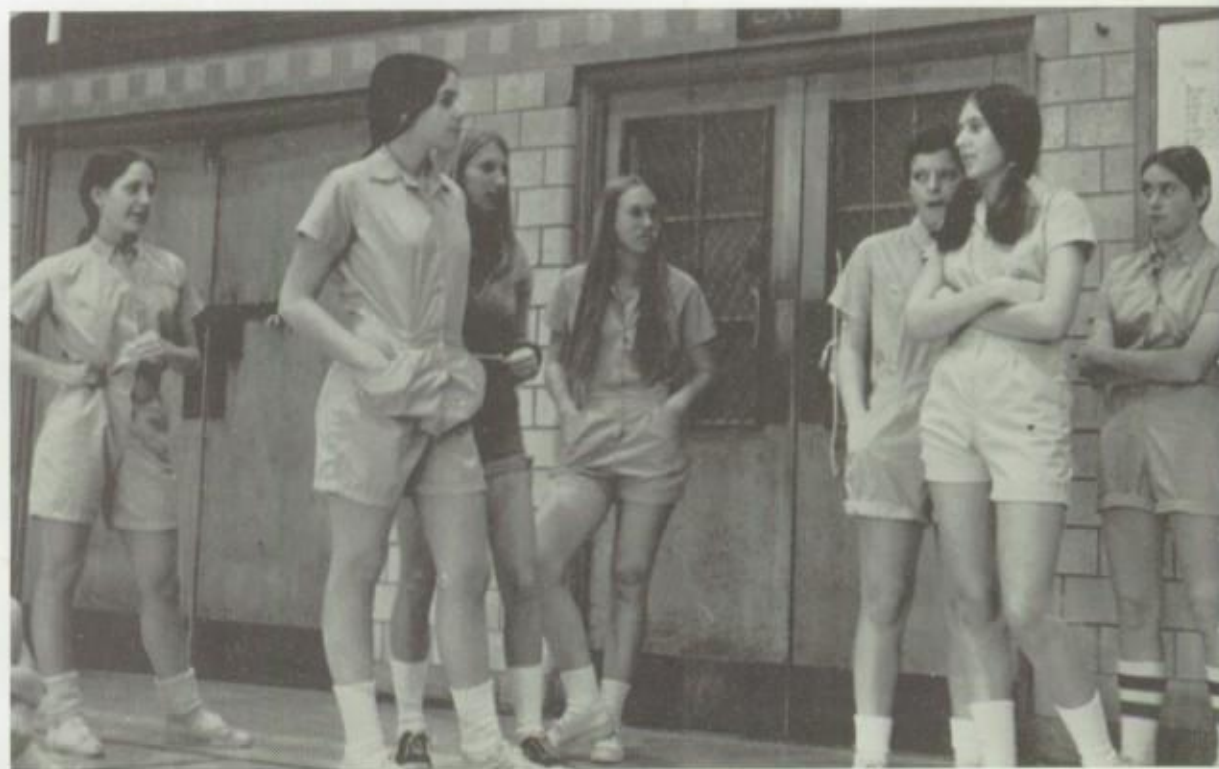

JONI MITCHELL

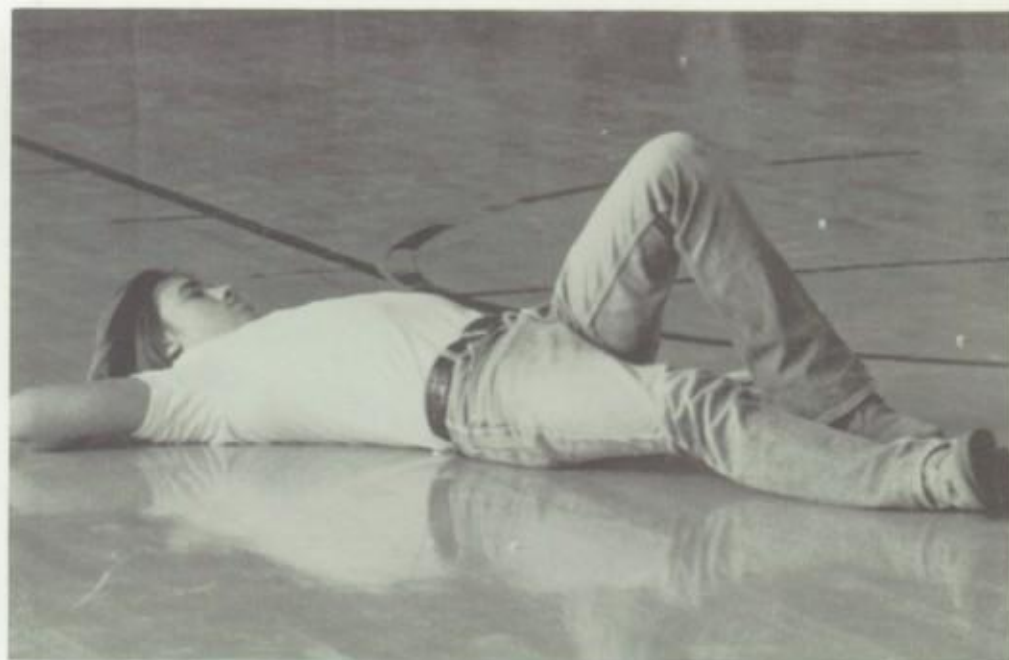

*Of the people in my past
fading faces in a waking dream,
and though they never seemed
to last very long
there are faces I remember
from the places in my past.*

JAMES TAYLOR

*It seems to me a crime
that we should age,
those fragile times
should never slip us by.
A time you never can
or shall erase,
as friends together
watch their childhood fly.*

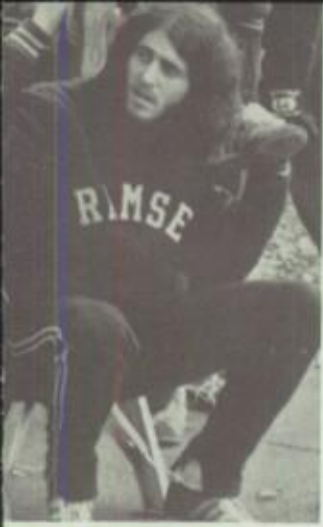

ELTON JOHN

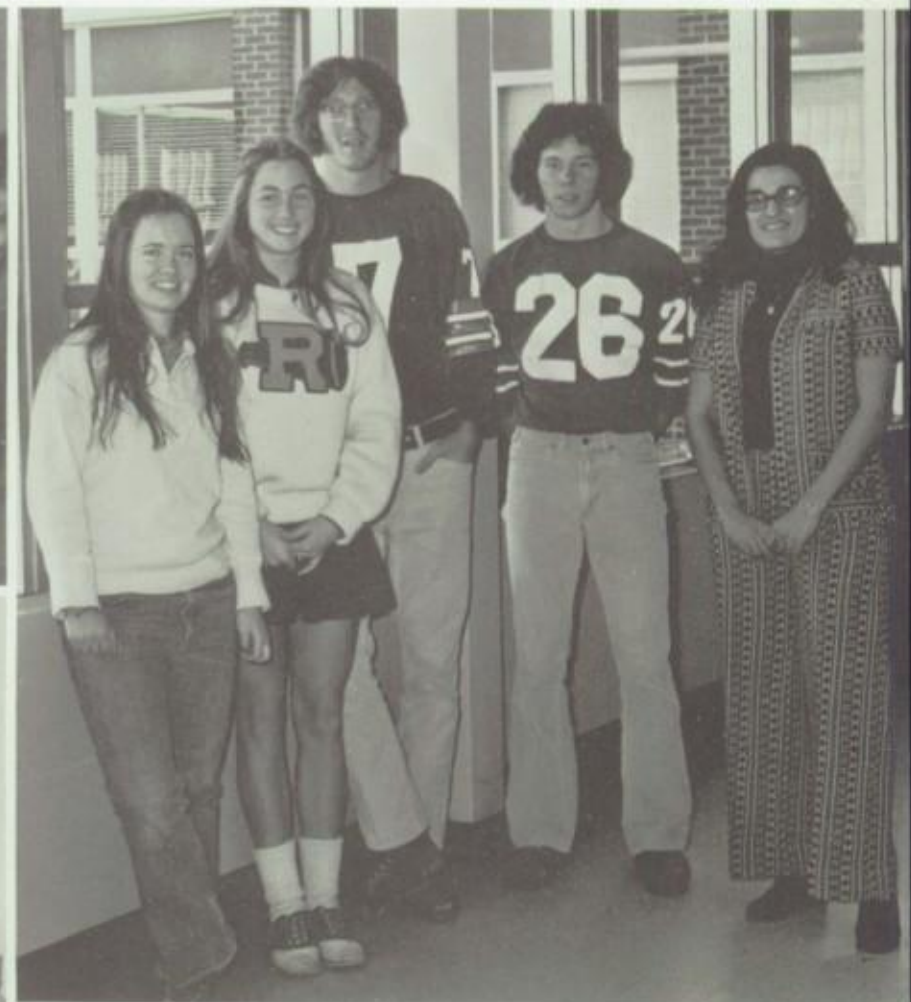

*It was only yesterday when
I heard the teacher say, patiently,
one and one make three;
we were children you and me.*

We the class of 1975 proudly dedicate the sports section of the Nugget to Mr. Richard N. Murray for his many years of service to Ramsey High School.

Mr. Murray has been involved in teaching since he came to RHS thirty-two years ago. He also has been one of the most successful coaches Ramsey has ever had. In 1950 he led the Rams to the only outright state title Ramsey has ever claimed. He also coached baseball to a league championship, and preceded Mr. Molino as the cross country coach. In 1967 Mr. Murray was named coach of the double decade by the Ridgewood News for 1947-67. In recent years, he developed the physical fitness team which called itself the Murray Nuts. After winning three consecutive state championships, the Murray Nuts of 1972 claimed the national title in physical fitness competition sponsored by the U.S. Marine Corps.

Because of this fine record of dedication and contribution to students, we enthusiastically dedicate the sports section to a man who will always be remembered by students and faculty alike.

*The meanings get lost
And the teachings get tossed
And you don't know what you're
Going to do next . . .
Love when you can
Cry when you have to
Be who you must
That's a part of the plan
. . . And one day we'll all understand . . .*

CAFETERIA PERSONNEL

*I was sitting in the classroom,
trying to look intelligent,
in case the teacher looked at me . . .*

ELTON JOHN

*You were just too cool for school,
sock hop, soda pop, basketball,
and auto shop, the only thing
they got you on was breakin'
all the rules.*

EAGLES

*You who are on the road must have a code
that you can live by, and so become yourself
because the past is just a goodbye.*

CROSBY, STILLS, NASH, & YOUNG

"and the sign said:

*the words of the prophets are written
on the subway walls and tenement halls,
and whispered in the sound of silence."*

PAUL SIMON

*And the seasons they go round and round
and the painted ponies go up and down
we're captive on the carousel of time
we can't return we can only look behind
from where we came
and go round and round and round
in the circle game.*

JONI MITCHELL

*Now your saying that you're leaving home
'cause you want to be alone,
ain't it funny how you feel
when you find out that it's real.
Oh to live on Sugar Mountain
with the barkers and the colored balloons.
You can't be twenty on Sugar Mountain,
though you're thinking that you're
leaving there too soon.*

NEIL YOUNG

*"Old friends,
Old friends
Sat on their park bench
like bookends."*

PAUL SIMON

*Making friends for the world to see,
let the people know you got what you need.
With a friend at hand you will see the light,
if your friends are there then everything's all right.*

ELTON JOHN

*A picture postcard, a folded stub.
A program of the play.
Filed away the photographs of you holiday.
And your mementoes will turn to dust,
but that's the price you pay.
For every year's a souvenir
it slowly fades away.
Every year's a souvenir, it slowly fades away.*

BILLY JOEL

*Fare and be well now
let your life be seen by its own design;
nothing to tell now
let the words be yours,
I'm done with mine . . .*

BARLOW
